Expressing grave concern about the decision of the Government of Israel to resume settlement activities, including the construction of the new settlement in Jabal Abu-Ghneim, in violation of international humanitarian law, relevant United Nations resolutions and the agreements reached between the parties,

Gravely concerned in particular about the dangerous situation resulting from actions taken by the illegal armed Israeli settlers in the occupied territory, as illustrated by the massacre of Palestinian worshippers by an illegal Israeli settler in Al-Khalil on 25 February 1994,

1. *Reaffirms* that Israeli settlements in the Palestinian territory, including Jerusalem, and in the occupied Syrian Golan are illegal and an obstacle to peace and economic and social development;

2. *Calls upon* Israel to accept the *de jure* applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,[1] to the occupied Palestinian territory, including Jerusalem, and to the occupied Syrian Golan and to abide scrupulously by the provisions of the Convention, in particular article 49;

3. *Demands* complete cessation of the construction of the new settlement in Jabal Abu-Ghneim and of all Israeli settlement activities in the occupied Palestinian territory, including Jerusalem, and in the occupied Syrian Golan;

4. *Stresses* the need for full implementation of Security Council resolution 904 (1994) of 18 March 1994, in which, among other things, the Council called upon Israel, the occupying Power, to continue to take and implement measures, including, *inter alia*, confiscation of arms, with the aim of preventing illegal acts of violence by Israeli settlers, and called for measures to be taken to guarantee the safety and protection of the Palestinian civilians in the occupied territory.
